FREE Vision Screenings 2018

Please call 1.888.897.8979 to make an appointment - Space is limited.

Half of all blindness is preventable through regular vision screenings and education, so have your eyes checked today!

Princeton Health and the New Jersey Commission for the Blind: Project Prevention Unit are pleased to offer these free vision screenings to uninsured or underinsured adults and children.

All children must be accompanied by a legal guardian.
