

# Cancer Survivors Month Event

# AL ROKER

**Wednesday, June 28 at 7 pm**

Westin Princeton at Forrestal Village  
201 Village Boulevard, Princeton

**Admission is free but registration is required.**

During Cancer Survivors Month, you are invited to this very special event where we will honor the resilience and strength of everyone whose lives have been touched by cancer.

Join us for a moderated conversation with Al Roker, *NBC TODAY's* weatherman and co-anchor, as he discusses his own experience with cancer. Roker was diagnosed with prostate cancer in November 2020. He shared the news on-air with the *TODAY* audience and helped to raise awareness about prostate cancer and the importance of screening and early detection.

Everyone is welcome to arrive early and join us for coffee, tea and desserts before the program begins. Check-in begins at 5:30 pm.

**Register at [www.princetonhcs.org/calendar](http://www.princetonhcs.org/calendar)**

*This event is presented by Princeton Health Community Wellness and the Penn Medicine Princeton Cancer Center. It is made possible by funds raised through the Princeton Medical Center Foundation's annual golf outing.*
