

HOSTED BY THE SOUTH BRUNSWICK
ECONOMIC DEVELOPMENT COMMITTEE

NETWORKING & FUNDRAISING FOR OUR EMS HEROES

Join South Brunswick's Economic Development Committee at The Grape Escape for an evening that's equal parts networking, education, and fun!

September 18th
5:00 pm

The Grape Escape
12 Stults Road
South Brunswick, NJ 08810

Learn practical safety
skills

Networking with local
businesses

Live emergency response
demonstrations

Space is limited,
register now!

There will be live demonstrations of life-saving techniques and emergency preparedness tips, plus we'll have a silent auction with local items. All proceeds go directly to South Brunswick, Kendall Park, and Monmouth Junction EMS.

These volunteer-driven organizations rely heavily on community support for training, equipment, and emergency care. Every donation helps these dedicated volunteers respond when seconds count. Can't attend? You can still donate to support their mission.

SOUTH BRUNSWICK ECONOMIC DEVELOPMENT COMMITTEE

Your Support Saves Lives!

Your donations directly fund the life-saving equipment and supplies the South Brunswick, Kendall Park, and Monmouth Junction EMS need to serve their communities like:

Stretchers

Each stretcher costs over \$15,000 and must be maintained and eventually replaced.

Essential Supplies

Trauma materials, oxygen tanks, EpiPens, and critical supplies cost up to \$15,000 yearly

Ambulance Replacement

With a \$300,000 price tag per vehicle, maintaining our fleet requires significant investment.

Disposable Medical Supplies

Single-use equipment, due to infection control policies, can total up to \$15,000 annually

Defibrillators

Each ambulance requires a \$5,000 defibrillator to restart hearts during cardiac emergencies.

Equipment Maintenance

Ongoing upkeep of defibrillators and other life-saving devices can total up to \$10,000.

Every contribution, large or small, keeps our community protected with the best emergency medical care available. When seconds count, your support makes the difference. Our goal is to raise \$20,000 to ensure South Brunswick, Kendall Park, and Monmouth Junction EMS can continue providing top-quality emergency medical services to our community.

You can also pay by check at the event on September 18th, or mail your donation to:

Monmouth Junction First Aid Squad
PO Box 5
364 New Road
Monmouth Junction, NJ 08852
