(3) Contractor hereby certifies the following facts regarding its past performance, work history, current qualifications and performance capabilities:

a. The individual, firm or business entity has all valid, effective licenses, registrations or certificates required by federal, state, county or local law, including, but not limited to, licenses, registrations or certificates required to: (i) do business in the State; and (ii) perform the contract work it seeks to perform. These include, but are not limited to, licenses, registrations or certificates for any type of trade work or specialty work which the individual, firm or business entity proposes to perform.

b. The individual, firm or business entity meets the bonding requirements for the contract, as required by applicable law or contract specifications and any insurance requirements, as required by applicable law or contract specifications, including general liability insurance, workers compensation insurance and unemployment insurance requirements.

c. The individual, firm or business entity has not been debarred by any federal, state or local government agency or authority in the past three (3) years. e. The individual, firm or business entity has not had any type of business, contracting or trade license, registration or other certification suspended or revoked in the past three (3) years. If Contractor is a firm or business entity, Contractor also

If Contractor is a firm or business entity, Contractor also certifies that none of the owners, officers or members have been cited for a willful violation of federal or state safety laws in the past three (3) years.

g. The individual, firm or business entity has not been convicted of any crime relating to the contracting business by a final decision of a court or government agency in the past three (3) years. If Contractor is a firm or business entity, Contractor also certifies that none of the owners, officers or members have been convicted of any crime relating to the contracting business by a final decision of a court or government agency in the past three (3) years.

I hereby certify that the foregoing statements made by me are true. I am aware that if any of the foregoing statements made by me are willfully false, I am subject to punishment pursuant to law, including but not limited to a rejection of my bid, rescission, revocation and/or termination of the contract awarded to me.
