

The goal of the Special Needs Registry is to ensure all South Brunswick residents who may be in need of special assistance are able to get the help and support they need in a time of emergency or during interaction with Law Enforcement, Fire or EMS personnel.

The South Brunswick Special Needs Registry is proudly sponsored by the South Brunswick Police Department.

Each registrant will be provided with 2 window decals that can be placed on the front entrance of the registrant's residence as well as on the window of any vehicle in which they regularly travel. The presence of the SNR decal signifies to first responders that someone in the residence/vehicle has some degree of special need and that they should respond accordingly. The use of the decal is voluntary.
