Social Services

South Brunswick Social Services is a division of the Township of South Brunswick which specializes in assisting residents in need within the community. If you are experiencing economic hardship, we can help with food, emergency financial assistance and referrals to other organizations for additional resources. We are available to assist residents with budgeting and case management on a case by case basis. Our services are strictly confidential.

We are located in the rear of the South Brunswick Municipal Building. An appointment is required.

To speak with someone in Spanish please call 732-329-4000 x7672 or email ghaber@sbtnj.net
